

# *Judging Results*

For the 2020 Tech Days, GATSA offered 12 Competitive Events and judged them on two levels, Middle School and High School. The next pages list the top 10 winners in each of the events. All entries were judged by volunteers in the two weeks following the Submission Deadline. There will be events with less than 10 finalists if there were not at least 10 qualified entries left after judging.

Each of the top three winners will receive a medallion for placing 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup>. (If you want award duplicates contact:

**Nevin Hagerty**

**Graphic Engraving** [www.Awards123.com](http://www.Awards123.com)  
6061 Buford Hwy NE Atlanta GA 30340

The cumulative points earned by placing in the top ten by a school determine the overall top two chapters. They will receive a plaque for Superior Chapter and Reserved Superior Chapter. They will also receive a Cash Prize of \$300 for Superior Chapter and \$150 for Reserved Superior Chapter.

As of Monday, November 2, 2020, all medallions and Plaques were mailed to each school that won a 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place in a Virtual Tech Days Competition. So advisors keep your eye on the mail that comes in.

Thanks you for your participation and congratulations for your student achievements in the Covid version of Tech Days 2020
