Overall Duties and Responsibilities of a Georgia TSA State Officer

By electing you to a GA TSA state office, the membership has entrusted the leadership of its organization to you and your fellow officers. With the acceptance of this honor come duties and responsibilities.

Duty is defined, as “the conduct, obedience, loyalty, and submission required of an officer.”

Responsibility is “the reliability and moral accountability for duties expected of an officer.”

Together, duty and responsibility convey the conduct and performance appropriate to all Georgia TSA State Officers.

Regardless of which office you hold, your duties and responsibilities as a Georgia TSA State Officer obligate you to do the following:

- ***Attend all scheduled meetings.***
- ***Communicate with the State President and Executive Director regularly and respond to email within 24 hours of receiving an email.***
- *Understand the mission and goals of Georgia TSA.*
- *Understand the TSA bylaws*

The information provided along with the photo becomes property of GA TSA and may be published in print form or electronically.
2. Candidates and Advisors will arrive on **Saturday January 30, 2021 at The Graduate, Athens, GA** (*unless instructed otherwise*) **295 E Dougherty St, Athens, GA 30601** (Contact Steve Price at sprice@gatsa.org prior to that week to confirm location) at The interview shift time you will be assigned (*Interview time shift blocks will be based on the distance the candidate has to travel. Farthest away from Athens will be in the first block*) and will be taken through the candidate process and requirements by the State Interview Committee Coordinator. **Candidates must arrive in official GA TSA attire.** Candidates will be rated during the interview and the committee will score each based on the rubric, the committee will then select the students that will move to candidate campaign process in March at the SLC.
3. Candidates must attend the state officer candidate orientation meeting held at the State Conference (date and time to be published in the program).
4. Only candidates declared eligible can seek nomination. The number of total votes allowed each local chapter will be announced prior to the conference. Voting will be done by designated voting delegates. Other official business may also be conducted during the election session. Candidates declared eligible will be announced at the beginning of the campaign session. Candidates will not be nominated from the floor.
5. After the initial voting process, if a candidate fails to receive a majority of the votes a run off will take place.
6. The newly elected state officers will be announced at the Awards Ceremony of the State Conference.

Campaign Booths and Campaigning

1. No campaigning should take place prior to the State Conference in any form.
2. Officer candidates will have the opportunity to have campaign booths at the State Conference.
3. No campaign material shall be attached to the walls or other property of the conference facility.
4. Time will be provided for delegates to “meet the candidates.”
5. Business sessions are reserved for campaign speeches and election of officers. Voting delegates are to sit in a reserved section during these sessions. No campaign hand-out material is permitted during these sessions.
6. Candidates for all offices will be limited to a THREE MINUTE speech.
7. Candidates will not be nominated from the floor.
8. All local chapters are expected to encourage and observe good taste in the promotion of their candidates so as not to disrupt any planned event of the conference. Because the “public eye” focuses on this event annually, it is absolutely necessary that delegates reflect the conduct expected and desired in “putting our best foot forward.”
9. With respect for anti-litter concerns and cost to individuals and local chapters, campaign materials should be held to a minimum. Personal contact and the organization of a campaign develop leadership ability in a candidate to a greater degree than give-away gimmicks.
10. It is the responsibility of each officer candidate to see that all campaign material is picked up and removed one hour prior to the election session. No campaign material will be allowed in the election session.
11. There will be NO campaigning after curfew. This includes officer candidate interviews.
