Georgia TSA has given me numerous opportunities for learning from which I will carry the lessons with me for the rest of my life, and people I will cherish forever. This organization has also unlocked my passion for leadership and service, and my drive to be the best version of myself. As I serve as your 2021-2022 State President, my promise is to support every endeavor you take part in, within Georgia TSA and outside it, as well as help you achieve your best self. Your State Officer Team and I are working together this year to transition back to in-person conferences as seamlessly as possible to make this the best experience for you all to learn new skills, improve your leadership, and make unforgettable memories. On behalf of the State Officer Team, we are excited to meet you all back in face-to-face events to watch you bloom and Discover Your Journey!

Sincerely,
Shreya Jayaram, GATSA State President 2021-2022

Welcome back! If you are like me, when you reflect on the last year and a half, it seems surreal. It feels like a lifetime ago that we left for the 2020 State Conference in Athens, not knowing that we wouldn't be returning to school that year because of a global pandemic. If I have learned anything over the last 18 months it's that life is unpredictable and uncertain, but I also know that our organization is strong and as a group we will continue to strive. Now it's time for us to celebrate what we accomplished last year and to look forward to our new year.

While Georgia TSA was strong throughout last year, I sure missed actually being with everyone! We have been excitedly planning for our return to face-to-face conferences for the 2021-2022 school year, beginning with CORE in September. We are working hard to ensure that we give students and advisors the best experience possible while maintaining safety protocols. We are also planning face-to-face conferences for Tech Day in Perry, the Fall Leadership Conference on Jekyll Island, and our Georgia TSA State Leadership Conference in Athens.

Thank you to all the advisors and students who weathered through last year. Thank you to Mr. Price, Mr. Ivey, our 2020-21 president, Aaron Parker, and the rest of last year's Board of Directors for making some tough decisions, but working hard to still provide great experiences.

I'm looking forward to a great year for Georgia TSA! If I can ever be of any help to you, please feel free to contact me at angelaquarles@pickenscountyschools.org
