With a new year comes a new opportunity for learning, growth, and more. Georgia TSA is here to provide this to each and every member through our conferences. Throughout the year you will have the opportunity to leave your mark. This can be through the leadership you show, the awards you win, or the friendships that you make. I hope you are able to take these opportunities provided and experience them to the fullest extent. The State Officer Team and I are so excited for you to experience this year and make your legacy.

We hope to see you at our conferences and interact with you on social media where you can leave a Legacy of Innovation.

Sincerely,

Brooke Slone, GATSA State President 2022-2023

Welcome back! I hope you have all had a safe and restful summer break. I am excited to see what the students and advisors in our great association will accomplish this year. Last year was an outstanding bounce back year and I expect this year will be even better. Although we still faced challenges, I can proudly say that we met them all head-on and conquered every one of them together. This year we are going to face different challenges, but I am confident that with the awesome group we have, we will again prevail against any adversity we face. It is my hope that we all continue to grow as individuals, as chapters, and as an organization as we progress through the year.

I would like to introduce and welcome aboard Dr. Paul Camick as our new program manager at the Department of Education. Dr. Camick really needs no introduction as he has been associated with our organization for many years, most recently as the CTAE administrator for Dekalb county.

I would also like to thank our Board of Directors for all of their hard work and dedication to GA TSA. We are working hard to ensure that we give students and advisors the best experience possible while maintaining a fiscally viable organization. I am sure I don't have to tell you about the economic challenges we are all currently facing, but this too shall pass.

I'm looking forward to a great year for Georgia TSA! If I can ever be of assistance to you, please feel free to contact me at jess.bush@toombs.k12.ga.us. See you at C.O.R.E.

Thank you for all you do,

Jess Bush
