

# Board of Directors Application

The Georgia Technology Student Association's Board of Directors has positions available. The association needs dedicated technology educators to volunteer to fill these positions. GA TSA Board members play a critical role in the successful planning and production of the four state conferences held each year by managing the various committees of the association. The board works with the Executive Director, State Program Specialist, and State Officers, by establishing policy, direction, and managing competitive events. This is a great opportunity for professional growth and service to the association. Please consider volunteering.

Qualifications – Council Members Must . . .

- Be willing to serve a three year term,
- Be able to attend four scheduled meetings annually.
- Have the support and approval of their local administration.
- Be an advisor of an active Georgia TSA chapter in good standing, at least in their second year.
- Have previous TSA experience (such as assisting with an event or activity at a conference), preferably serving as the chair or coordinator.

If you are interested in serving as a member of the Georgia TSA Board of Directors, please complete this form and upload it to the EMS Document Upload section.
