

2019-2020

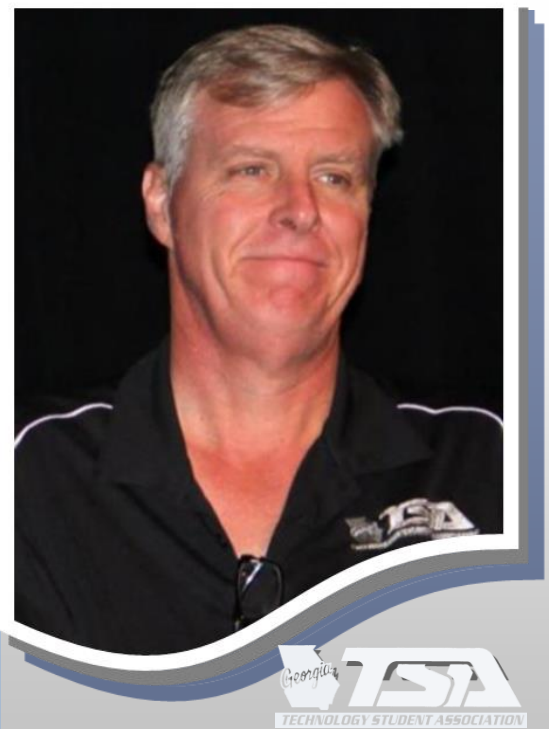

***Back To School Information
& Affiliation Pack***

Courtney Raymond

Saying that this association has molded me into the person I am today is an understatement. Georgia TSA has allowed for me to explore opportunities that have put me on the path to success, as it has for every member in this organization. It has shown me the true aspects of leadership, and that is not something one can find in many places. As I serve as your State President, alongside the rest of your 2019-2020 State Officer Team, it is our mission to help you reach the very peak of success throughout the year. With every conference, you will gather new skills, whether it be technical skills or leadership oriented. Throughout the year, you will be able to attend CORE, Tech Day, Leadercon, the State Leadership Conference, and the National TSA Conference. These 5 conferences hold unforgettable memories and friends that will last a lifetime. You will have the chance to meet, socialize, and compete with members across the entire state! As I hope to see you all at every single one of these amazing conferences, I also encourage you to make this year one you will never forget. On behalf of the entire Georgia TSA team, we hope that you gain the incredible experiences this association has to offer, and we cannot wait to see you all at the next upcoming conference!

Yours Truly,
Courtney Raymond, GATSA State President, 2019-2020

Rob Garber

Hello Georgia TSA,
This is a most awesome time to be part of Georgia TSA! The past year we continued to make advances in both membership and number of affiliated chapters. We just keep becoming stronger every year.
This year the Georgia TSA Board of Directors will continue to make improvements to our programs through a variety of initiatives. At CORE we are inviting all chapters to participate in the Carnival experience by signing up to display a game. Our events at Tech Day will have updated rules and problems and will be introducing a new event, Computer Integrated Manufacturing. FLC will again feature Vex and Lego robotics competitions, the Armada Boat race as well as technical and leadership sessions. While we continue to make improvements in the logistical management of each event. The Engineering Experience will once again be at SLC along with a new Middle School rule book due out this fall. I would like to thank all of our advisors, supporting school systems, administrators, and parents for investing in the future of our students. I look forward to a wonderful year in Georgia TSA and if I can be of service to you or your chapter, please feel free to contact me at robert.garber@benhillschools.org

Rob Garber, President
GA TSA Board of Directors

Welcome to a new school year with Georgia TSA. In this pack you will find important information to kick start your year. Please print the TSA calendar and post it somewhere in your room. We have a jammed packed calendar with exciting opportunities I do not want you to miss. For the most up to date information please visit the Georgia TSA home page at

www.gatsa.org.

Be an active chapter and send your chapter activities so we can include them in the News section of the Georgia TSA website. Submit all articles with pictures to sprice@gatsa.org.
