

Advisors,

We are thrilled to invite you and your students to the **EV Rally & Energy Expo** at **Caffeine and Octane Lanier Speedway** on **March 12, 2025**. This dynamic event will kick off the 2025 State Leadership Conference and showcase innovations in the power and energy industries, featuring hands-on experiences, industry partners, and thrilling demonstrations. There will be games and activities to keep your students engaged. This is a great side activity on your way to Athens to view the first competitive event of the 2025 State Leadership Conference and business/industry and colleges in the Power & Energy fields.

Event Highlights:

- **Electrathon Races:** Witness two exciting Electrathon races at **12:00 PM** and **2:00 PM**, where electric vehicles designed by students and enthusiasts compete in endurance challenges.
- **Energy Expo:** From **11:00 AM to 2:00 PM**, explore exhibits from leading energy industry partners, including:
 - **Live Line Demonstrations:** Experience high-voltage safety in action.
 - **Bucket Truck Demonstrations:** Get an up-close look at utility operations.

This is a unique opportunity for TSA members to delve into the intersection of **technology, energy, and transportation**, while connecting with industry experts who are shaping the future.

Event Details:

- **Date:** March 12, 2025
- Gates open at 9am
- Power and Energy Expo, 11am-2pm
- Electrathon Races, lead acid at noon and advanced battery at 2pm.
- **Location:** Caffeine and Octane Lanier Speedway, 5301 Winder Hwy, Braselton, GA 30517

We would be honored to have you and your students join us for this educational and inspiring event. Please let us know if you're interested or need further details.

Looking forward to seeing you at the **EV Rally & Energy Expo!**
