

# **Activities and Opportunities**

---

- **TSA Chapter Officer Position Training** – Our state officers provide local officers with training related to their position
- **“Take it Home” Team Building Activities** – Learn some group activities to use back at your chapter meetings
- **Local Chapter Program of Work Development** – Learn for some of our top chapters in GA and Plan your TSA year with the elements that make a great chapter
- **Advanced Program of Work Training** – For those chapters that have already experienced the basic POW training before – Dig deeper into subjects like fund raising, recruitment, chapter promotion and more.
- **Statesman Test** – Participants will have an opportunity to take the Statesman Award test on Saturday evening after dinner. A study guide can be found in the links column to the right. **You can access an online study guide on the GA TSA Website – CORE Conference Page – under Resources**
- **ACS & Pitchford Scholarship Tailgate Party** – We will hold a Tailgate Party to demonstrate one way to raise money for one of our Official State Fundraising Projects. This year we will have a Tailgate Party on Saturday evening. We’re planning a carnival and inviting chapters participate and sign up to provide and manage a carnival game
- **CORE Olympics** – Get to know members of other chapters and have some fun during the Team relay games stretching across the camp!
- **High Ropes** Course is available at an additional cost of **\$12 each**, to cover the additional supervision. Availability is limited to five time slots (40 total students) on Friday and 8 time slots (88 total students) on Saturday. Registration for the High Ropes will close once the limit has been reached.
- **Outdoor Activities** – Included in the registration fee are a variety of outdoor activities: Low Ropes, Climbing Wall, Lake Activities, including swimming and canoeing.
