

VOL. 12 | AUGUST 2022

THE TSA TIMES

Edited by your State Officer Team: Brooke Slone, Aira Dani, Liam Bell, Mallory Peavey, AnnaGrace Gwee, Shivangi Gosain, and Bryce Ware

FIRST CONFERENCE JITTERS

The first official Georgia TSA conference is right around the corner! With the Chapter Officer Retreat for Excellence being September 10th to 12th. CORE is a chance to bond with your officer team and prepare for the new year.

It is understandable to feel so many feelings, your state officer team surely is! During the conference do not be afraid to talk and make new friends! You could even find a lasting friendship as many have done before. Mostly importantly have fun and do not forget your sunscreen! See you soon GATSA!

President's Corner

Hi all! Aira here, your State Vice President! I'm so excited for all our events this year- I can't wait to see everyone again. The state officer team worked hard at August training to prep for our upcoming conference. CORE is just two weeks away and I for one, can't wait to reveal this year's theme, so keep your eyes and ears peeled!!

Pool Party

Hey what's up Georgia TSA, this is AnnaGrace your state treasure here. Just getting back into the groove of the new school year and getting the chance to promote Georgia TSA. I'm sure the first month is nerve-racking and I'm excited to be able to meet so many new members as well as old ones at the 2022 CORE conference. We have so many fun activities and events planned such as the carnival and Olympics, but if you ever want to join in on the behind-the-scenes fun go follow and look at the Georgia TSA Instagram (@georgiatsa). I can't wait to see everyone and I hope ya'll buckle in and get ready for take-off!

August Training Recap

During the August Training at Stone Mountain, the State Officer team updated the Board Members on our performance at nationals and upcoming conferences. In addition, we planned for the upcoming Chapter Officer Retreat, recorded the CORE promo video, Sunday Sit-downs, and worked towards our theme for our next conference after CORE: Tech Day!

"I know Tech Day has events, but where do I find them? What are prejudged events?"

The first place to check for conference information is always the GATSA website (gatsa.org) Most information available for conferences can be found on the conference-specific tabs on the bottom of the page (mobile devices) or on the right side of the page (tablets and computers). The competition rules tab on the tech day page takes you to the website for the Georgia National Fair where the rules are labeled "2022 TSA (updated)". The prejudged events are ones which you submit by taking them to CORE or shipping them to Steve Price. They include Architectural Design, Georgia TSA Pin Design, Program Promotion High School, and Program Promotion Middle School. These will be on display separate from the other competitions at Tech Day.
