THE TSA TIMES

Edited by your 2022-23 State Officer Team

CORE 2022

Wow TSA! That was an AMAZING first conference! CORE was held September 12-14 this year but hope the memories last with you for years to come. Your chapter officers gained valuable leadership and teamwork skills to help guide you through the school year. Though it was not all work, officers got to enjoy time bonding by doing activities such as ropes course, canoeing, and socializing with other schools. As you are now back into your school and everyday routine we hope you are able to use your new membership recruitment ideas, fundraising ideas, and more to have a successful chapter this year. If you have any questions feel free to reach out to your state officers on the Georgia TSA Instagram and make sure to follow us on YouTube. We hope to see you all at Tech Day at the Georgia National Fair on October 10th!

President's Corner

Hey Georgia TSA! I'd like to take a moment to formally introduce myself! I'm Liam Bell, your state Second VP! CORE this year was great! I hope everyone enjoyed it and that it was one to remember! Remember that FLC is just one month away! If you have any competitions there, be sure to work hard to get them ready for our conference at Jekyll Island! Thank you!

Pool Party

Hello Georgia TSA! This is Shivangi Gosain, your State Reporter. This CORE was one of the best ones yet and I hope everyone who attended learned something new. I am SO excited to see everyone at Tech Day, it will definitely be one to remember! Until then, make sure to stay updated through our Instagram (@georgiatsa) and YouTube ("Georgia TSA"). We have a bunch of new content coming up including Sunday Sit-downs, vlogs, Member and Chapter of the Month, and obviously, a new newsletter every month to keep you all updated!

Hispanic Heritage Month

September 15th to October 15th is Hispanic Heritage Month and is focused on the celebration of Hispanic contributions to American history. Similarly, Georgia TSA would like to thank all of its Hispanic members who contribute so much to the GATSA community. Our organization is built on the diverse mosaic of cultures that make up every part of GATSA and that mosaic would be incomplete without the unique role our Hispanic members have.

Thank you all for your involvement!

During the morning the general session and events are hosted, and during the afternoon Georgia TSA members are encouraged to enjoy games, rides, and all the fair food that they can eat. Tech Day is used as a member recruitment opportunity to wrap up membership before the close of registration and affiliation.
