TECH DAY 2022 AND GEORGIA TSA WEEK

This month, we held our 2nd in-person conference of the year: Tech Day at the Georgia National Fair. We hope all who attended enjoyed a day of competition, fair rides, and fair food! If you weren't able to join us, check out our YouTube channel, "Georgia TSA", to see our Meet the Team video, CORE recap, and FLC theme reveal. Immediately following Tech Day, we celebrated Georgia TSA Week with a social media challenge. To share some of our activities from Georgia TSA Week, we hosted a trivia challenge on our Instagram story and spotlights of members and advisors on stories. To learn more about how we celebrated our great organization, check out our recent posts on our Instagram, @georgiatsa. We can't wait to see everyone next month at FLC 2022!

I have trouble deciding which competition I want to choose. How would I do that?

I would reflect it off your interests! There are a variety of different competitions to choose from, and there is definitely one that will fit what you like doing! They may range from writing a book, to participating in a building challenge! Research each competition on the official TSA website, and see what will fit best for you! Regardless of what competition you decide to participate in, I guarantee you will enjoy it!
