I. General Information about TSA
   A. What do the letters “TSA” represent?
      Technology Student Association

   B. TSA Creed
      I believe that Technology Education holds an important place in my life in the technical world. I believe there is a need for the development of good attitudes concerning work, tools, materials, experimentation, and processes of industry.

      Guided by my teachers, artisans from industry, and my own initiative, I will strive to do my best in making my school, community, state, and nation better places in which to live.

      I will accept the responsibilities that are mine. I will accept the theories that are supported by proper evidence. I will explore on my own for safer, more effective methods of working and living.

      I will strive to develop a cooperative attitude and will exercise tact and respect for other individuals. Through the work of my hands and mind, I will express my ideas to the best of my ability.

      I will make it my goal to do better each day the task before me, and to be steadfast in my belief in my God, and my fellow Americans.

   C. TSA Motto
      Learning To Lead In A Technical World

   D. TSA Colors and What They Represent
      ● Scarlet (red) represents the strength and determination of the technology education students and teachers to obtain their goal
      ● White represents high standards, morals, and religious beliefs
      ● Blue (navy) represents the sincerity of the technology education students and teachers in obtaining a greater knowledge of our technological world.

   E. Description of TSA Logo
      The TSA Emblem is a rectangular shape with three parts. The middle section and largest part of the emblem contains the letters TSA in very large, bold print. The letters are white on a blue background. Below these letters and about 1/3 the size, is the name of the association - Technology Student Association - in white letters on a red background. The top portion of the emblem is a blank red rectangular shape, the same size as the bottom area. This portion is intentionally left blank so that each state can put their own name on the emblem if desired. The logo is a modern, futuristic symbol that represents the association's commitment to technology and its impact on the future.

   F. TSA Official Dress
      Blazer: Navy blue with official TSA patch
      Ties: Scarlet red imprinted with official TSA logo; Tie is not required for female official dress
      Shirt or blouse: Official royal blue TSA shirt with embroidered logo
      Pants or skirt: Light gray
Dark socks: Males only (black or dark blue)
Shoes: Black dress shoes (Athletic shoes, combat or work boots are unacceptable)
Sandals: Females only may wear black open toe shoes or sandals

H. Georgia TSA Foundation
   1. Purpose/Goals
      To raise funds primarily by seeking, fostering, and maintaining relationships with business and industry and through seeking grants that support the Foundation’s Mission. These funds will be used to make grants for the purposes of:
         ● funding the cost of GA TSA programs
         ● defraying the student members financial burden associated with participating in GA TSA conferences, competitions, and events which promote GA TSA and /or Engineering and Technology Education
         ● promoting and encouraging local school system support of the Engineering and Technology Education curriculum concurrent with a GA TSA chapter
         ● promoting and encouraging local chapter advisor involvement with and support of local GA TSA chapters
         ● promoting and encouraging students to pursue careers in the areas of science, technology, engineering, math and technology education by obtaining additional training after graduation in these areas
   2. Mission
      To provide ongoing financial support of the programs of the GA Technology Student Association (GA TSA) with the ultimate objective of encouraging students to investigate and choose careers and leadership roles in Science, Technology, Engineering and Math (STEM).

K. Ways to Affiliate
   **Red Chapter Affiliation Program (Red CAP)**
   A chapter affiliates up to ten members by paying a flat fee (additional members may be added during the year for a fee). The membership fee for Red CAP is $100 at the national level plus state dues.

   **White Chapter Affiliation Program (White CAP)**
   A chapter affiliates eleven or more members by paying a per member White CAP fee for state and national dues. The membership fee for White CAP is $10 per member at the national level plus state dues.

   **Blue Chapter Affiliation Program (Blue CAP)**
   A chapter affiliates an unlimited number of members in a school for a flat fee (typically effective when there are more than 25 members). This option is popular in chapters where students rotate through a STEM class for a portion of the year to enable all students to be members. The membership fee for Blue CAP is $350 at the national level plus state dues.

   Georgia Dues:
   **Red Chapter Affiliation Program (Red CAP)**
   $100 National + $50 Georgia Dues
**White Chapter Affiliation Program (White CAP)**
$10 per member National Dues (11 or more members) + $5 per member Georgia Dues

**Blue Chapter Affiliation Program (Blue CAP)**
$350 National Dues + $300 Georgia Dues

**Advisor Fee (all affiliation levels) = $10**

**Unified Dues**

“TSA operates under a unified dues policy, whereby members must affiliate and pay applicable dues at the local, state and national level.”
